*If your child has very low vision, he or she may be eligible for special services provided by the New York City Department of Education.*

### **Educational Vision Services**

The New York City Public Schools provide specialized educational services for students who are blind or visually impaired. Students are eligible if their best-corrected vision in the better eye is 20/70 or lower, or if they have specified visual impairments, such as macular degeneration, retinopathy of prematurity, optic atrophy, high myopia or albinism. Services are designed to give students access to the general curriculum, and to participate in general or special education classes at the highest possible level of independence. Available services include:

- Braille
- Large print reading materials
- Training with low vision devices
- Specialized adaptive computer technology
- Instruction in other skills to attain literacy in:
  - reading
  - writing
  - mathematics
  - sciences
  - computers
- Instruction in orientation and mobility for independence in travel
- Bus transportation, if needed.
